In what area do you plan to undertake a doctoral thesis?

Please list three people who are familiar with your academic background and who should be able to assess your qualifications for undertaking a program of study leading to a Ph.D. degree in M.E. If you wrote a master's thesis, one of these people should be your thesis adviser. (You should send our reference questionnaires to these three people.) For each reference, please show the name, position, current address, and the capacity in which you have been associated with the person.

Please send this completed form to: Graduate Program Coordinator
Department of Mechanical Engineering, Box 352600
University of Washington
Seattle, WA 98195-2600

(The Application for Admission to the Graduate School is to be submitted directly to The Office of Graduate Admissions, Box 351280, University of Washington, Seattle, WA 98195-1280)
