

How About Manufacturing ?

Do your own thing with your education!

Ed Heacox 1/20/2009

Manufacturing vs. Design Engr.

- Faster Moving, Results Quicker
- Broader, All Business Functions
- People Factors
- External Partner Relationships
- International Relationships
- Multiple Products and Technologies
- Fun!

My Education Options

- I love Tech, Wanted More
- Tried Options, Went to Business
- Back to Engineering
- The School Placed Hurdles, Support
- We are Smart and Lucky to Have Opportunity!

My Career Options

- 1964 Good Year to Graduate
- Go for “Small Company.” IBM.
- IBM 20 yrs., Many Locations, Storage/Semiconductor
- Left IBM for Micropolis, FTHOI!
- More Work, More Fun, More Everything. Awards &...
- Synectron, PrairieTec, R-Byte, Toshiba, Tessera, PCS,
...
- ASKE Tech Consulting, Venture Capital

Liberal Education

- Include: Technology/Science/Engineering
- Easier to Learn Business in Practice
- Mechanical vs. Electrical is Surprising
- Physical vs. Operational is Surprising (O.R.)
- Follow Your Heart
